CONFIRMATION

We, RMG REGEL + MESSTECHNIK GMBH, Osterholzstrasse 45, 34123 Kassel / Germany, herewith confirm that the company

MS-Flowtechnic
Messingvej 38B
DK-8900 Randers
Denmark

is our official service partner in Denmark and is authorised to perform service on RMG gas trains installed in combination with gas engines.

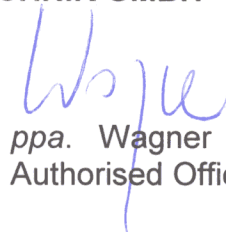

We grant all technical support and provide all information to MS-Flowtechnics that are necessary for a save performance.

This authorisation, of course, requires that all relevant guidelines are taken into consideration by MS-Flowtechnic.

Kassel, October 2003

RMG REGEL + MESSTECHNIK GMBH
